Demonstration:

I would like to demonstrate at the Marketplace, if available. I understand that I will be allotted a forty-five minute time slot to be scheduled at the Fare's discretion. Exhibitors chosen to demonstrate will be notified by July 31st.

Describe your demonstration

Tastings Reception:

Marketplace exhibitors are invited to the Tastings Opening Reception sponsored by MOFGA at the discounted price of \$60 (reg. \$75). The reception features Maine celebrity chefs cooking on site at the Camden Yacht Club with only Maine-grown organic ingredients. Guests will be able to talk to the chefs about how they prepared their dishes, as well as with many of the farmers, fishermen and food producers who were responsible for the ingredients at the dinner.

I would like tickets.
